## **Blog Idea & Content Generation**

If you want to make money blogging, you need to blog about something that people are interested in and you need more than one blog. In other words, you may need huge amount of content on various topics (that you may not be familiar with) if you plan to make real money from blogging. Generally speaking, you either write your own content, hire somebody to write it for you, or you rewrite private label rights (plr) articles and then publish them. Here are some free resources to help you get started.
