Think About It....

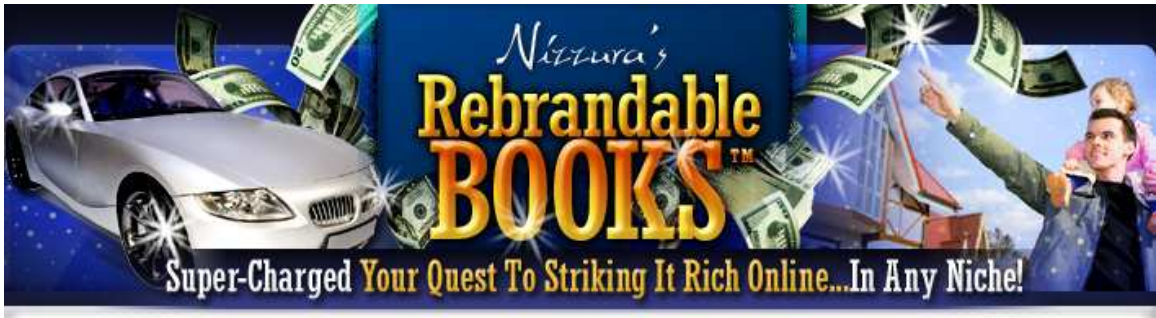

- I managed to get you to come and read this special report.
- There are probably thousands of other people who are reading the same presentation you're reading right now!
- This presentation that you're viewing now does all the selling for me.
- I might be out having a nice dinner with my spouse, by the pool, with my kids, or possibly sleeping.
- I'll check my Inbox, and see how many sales I generated for the day, and cash my checks when they come in or withdraw the money direct to my bank account!
