Now That You Have Sampled These Wonderful Doggie Treat Recipes It's Time To Truly Pamper Your Dog...

Are you concerned about what commercial food might be doing to your best friend?

Is your dog's health and happiness important to you?

Here Is What One Very Happy Dog Owner Had To Say About The Homemade Dog Treat Recipes:

I Gave Her A Couple Of The Meaty Dog Biscuits And She 'Danced' For More!

" Hi! I just signed up to your site yesterday and have already made two of the recipes for my beautiful sheltie, Trophy. She just turned 10 and had just began to refuse nearly any commercial food, even though the vet assured me she is totally healthy. Then, of course, the dog food recalls, coupled with the fact they use sick and euthenized animals in feeds only strengthened my resolve to find healthy, 'real' foods for her.

Last night she ate the entire feeding of the meat and grain recipe. Later I gave her a couple of the meaty dog biscuits and she 'danced' for more! This morning she went straight to her food bowl and begged. Thanks so much for starting me on the path to increasing trophy's health and happiness and extending her life."
