

## Lemon Meringue Pie

### Ingredients

#### Lemon Filling

1 cup lemon juice  
5tsp finely grated lemon rind  
(approximately 4 lemons)  
1/2 cup maple syrup  
1/2 cup coconut milk  
4tbs arrow root  
5 egg yolks

#### Meringue

5 egg whites  
2tbs maple syrup

### Instructions

Preheat a fan-forced oven to 160° Celsius/325° Fahrenheit.

Place lemon juice, lemon rind and maple syrup in a medium size pan on low heat.

In a small bowl, combine coconut milk and arrow root powder. Add to lemon juice mixture, stirring consistently until simmering.

Beat egg yolks together in a small bowl then add to simmering lemon mixture, stir constantly for 3-4 minutes, or until mixture has thickened. Pour into a pie dish.

To make the meringue, beat the egg whites and maple syrup in a medium size mixing bowl until stiff peaks form.

Spoon the meringue on top of the lemon filling then place into oven and bake for 8-10 minutes, or until lightly browned.

Cool before serving.
